Route 66:

We invite you to travel 'The Christian Way' along the Biblical Route 66. On this 160th anniversary we are taking time-out from the usual thematic Bible study talks; signposts will direct you to the most important and significant landmarks in each book of the Bible.

Join us on Tuesday evenings and you are guaranteed to discover things you have never realised existed. You will discover:

- how every person, place, event mentioned is uniquely recorded to further a divine revelation.
- the most prominent landmarks are those aspects which reveal God, Father, Son and Holy Spirit; His plans, His purposes and His ways and how we can all share in that wonderful destiny He is leading us to.

Week 1 will be all the preliminary information needed to get the best out of your trip. Each week you will be provided with a 'route-reminder' of where we have been and where we are heading next time.

These will serve, if you so wish, to find out more about the route before we start on the next part of the journey.

Apart from making sure you don't miss out on any of the sights, or feel like giving up because you have missed a stage, they will form a future 'route-map' should you ever want to take the journey again on your own. Best of all, as on any tour, you may ask questions and share your thoughts with others.

We believe that the Biblical Route 66 is the most exciting journey that could ever be taken by believers, because, as Christ's followers, the journey has been planned to start where He started, with the Scriptures of the Old Testament.

In the course of our studies we will be following the signposts and landmarks from Genesis to Revelation. We do so with the ultimate purpose of bringing glory to God the Father and to our Lord and Saviour, Jesus Christ; and extending His kingdom in our own lives and community.

We hope you, your family and friends, will accept this invitation and join us on as many stages of the route as possible.

Route 66 through the Bible has the aims of helping you to:

Develop and **deepen** a personal relationship with God.

Express your love for God and His word.

Enable you to live a life of obedience and service God's way.

Teach you to pass on the "unsearchable riches" of the word to others.
