THANKS

- Thanks for the £120 raised last Tuesday for the Richard Taylor Foundation
- *South Wales Baptist College – we sent £600 collected on Good Friday and have had the following response*

Dear Friends

Thank you for sending this gift to support the ongoing life of the College. In a letter to the believers in Philippi, the apostle Paul thanked God for their 'partnership in the gospel', thereby acknowledging that Christian service is not the work of a few heroic individuals but a partnership involving the whole body of Christ.

In these challenging times the College continues its work of equipping people for effective mission and ministry in a fast-changing world. In such a world there's a continuing need to nurture leaders who will be exemplary disciples who can oversee and nurture the discipleship of others. The work of nurturing godly leaders is not something which the College staff can do on their own. Such a large task requires an active partnership between the College and the churches.

We are grateful for his gift, not only because it helps to sustain our work, but also because it is a tangible reminder of the gospel partnership, with churches and individuals, which the College depends upon.

As I thank you for this gift, can I also encourage you to remember the work of the College in your prayers. Please pray that God will enable us to *'run with perseverance the race that is set before us, looking to Jesus the pioneer and perfecter of our faith.'*

With best wishes

Rev Dr Peter K Stevenson (Principal).

- BMS Birthday Scheme - £408 representing the first four months of 2018.

Dear Friends

Thank you for your gift to the BMS World Mission Birthday Scheme. Your gift is helping to support health ministries around the world. In Chad, many children struggle to survive their first years of life. Malnutrition and disease threaten the health of the children in Chad, which has one of the highest mother and child mortality rates in the world. N'Djamena. The hospital's new maternity centre is providing life-saving care to mothers and their

new-borns, and the surgical and medical services are alleviating suffering in the local vulnerable community. Thank you for blessing others through the BMS Birthday Scheme.

Your sincerely

Angelina Sahota - Supporter Services Team Member.

Age Cymru Sir Gar - £200 Communion Offering

I am writing once again to thank Greenfield Baptist Church for its generosity. I say again as it feels like only the other day that your church and congregation were so kind in giving us a donation. I want to say thank you to all of those that run and attend the church for your ongoing support for Age Cymru Sir Gar. Being supported by you really means a lot to use as we try to become the best organisation we can be to support older people in Carmarthenshire. Being the best for us means that we can continue help older people live the lives they want. Your donation is helping us to do this by supporting the continuation of our much needed and wanted information, advice, welfare benefits, practical services and of course our investment in developing new services.

So again, from myself and our trustees, I will say a big thank you for your generosity and support.

Yours sincerely

Ann Dymock Chief Officer
